Bazo tera towheed ki quat se qavi hay

Islam tera des hay to Mustafvi hay

Mr President, my suitable classfellows and respected viewers! Today, the main topic of my discussion is "Defence day of Pakistan". Today is the 6th of September . We proudly enjoy it as defence day of our sweet motherland. The whole world understands that in 1965, just how the fearless, brave and bold tigers of Pakistan Army smashed the planned, structured and secret violence of the enemy . They decreased all the pride and boldness of the huge Indian Military to ashes. In the words of Iqbal:

Dusht to dashat durya bhi na chchoray hum nay

behray zulmat main dora diay ghoray hum nay

Sisters and brothers, Pakistan wasn't had like a charity. It wasn't designed to safe property. And it not given in a day. Pakistan is caused by Islamic philosoph . Its groundwork is based on the two-Nation theory of Sir Syed Ahmed Khan, in the hard work of Ali Brethren, in the bold action of Molvi Faza ul Haq, in the hopes for Allamh Muhammad Iqbal and lastly in the undefeatable leader ship of Quaide Azam Muhammad Ali Jinnah.

Mr President! Throughout the PAKISTAN Movement for the freedom of Indian Muslims, Quaide Azam Managed to get clear that people –Muslims aren't a minority; we're a nation based on the definition of the word " Nation". Our religion, our culture, our background, our ways of imagining –even each and

every move of life is not simply vary with those of the Hindus but their heroes are also our opponents and our heroes are thought opponents by them. When you can't even feed on jointly –what about one country. therefore, the Quaed cautioned, “we are made the decision, determined and ready to have a nation of our own., We don't need to get it with regard to protecting a piece of property.Instead we want to safe a laboratory, where we will be self-sufficient and apply our philosophy of Islam”.

Dear guys, For accomplishing this ideal, the Muslim nation combined into 1 unit under the flag of Muslim League and also the leadership of Quaide Azam. They decided to carry out or die but to have Pakistan. As a result, our forefathers put their life, sacrificed their rest, expended all their riches–forgot all the things but Pakistan. By the Grace of Allah, Al-Mighty, Pakistan came to exist on the 14th of August, 1947.

However Mr. President! Hindus Still ongoing their fake pride of several strength in the thoughts. Therefore, their hearts and minds didn't admit Pakistan as progressing and advancing. Briefly, these people did their finest and attacked Pakistan in 1965 using their total might in the the dark of night time. Hence, Pakistan had been much existing however its citizens were one-the Muslims. Fort of Islam shown a fortress for the opponent and one each and every top whether property, air or sea; the destiny of Indians were beat, cowardice and humiliation. They neglect to understand that Pakistan Army were the beneficiaries of Khalid bin walleed, Sultan Salahuddin Ayubi, Muhammad bin Qasim, Ghuri and Tipu.

Taighoon ke say main ham pul kar jawan hoii hain

Khanjer hilal ka hay Qumi nishan hamara
