23rd May 2021

Dear Ahmad ,

I have got some exciting news to tell you. Last month, we had a week-long trip from school to the Neelum Valley. I was so happy to see the place I had been longing to visit for a long time. We did a lot of sightseeing around the place. I took a lot of photographs that I will show you next time we meet. I was amazed at the multitude of freshwater lakes here. It is because of this that it rains almost every noon in Nainital. I suggest you to see this worthseeing place positively.

Lots of love,
Your best friend,
Amjad Nisar
