STEP ENTRY TEST 2021

ANSWER KEY (Worksheet-6)

1	E	6	C
2	C	7	D
3	B	8	D
4	E	9	C
5	D	10	B

ANSWERS EXPLAINED**Q.1 Correct Answer E:**

All the courses of action are worth pursuing for the problem as defined in the statement, because flood affected person need all sort of relief.

Q.2 Correct Answer C:

Only 3rd course of action provides a feasible and effective to combat the problem, impediment in the way of speedy and proper rehabilitation should be removed.

Q.3 Correct Answer B:

Course of action 2nd and 3rd are feasible and effective to the combat the problem.

Q.4 Correct Answer E:

To avoid such mishappening police constable can help as well as if people are walking in group, then this mishappening can also be avoided So both I and II follows.

Q.5 Correct Answer D:

All actions given a right course of action following problem caused by the incessant rain for the past several days because each of the courses we provide relief to the victims.

Q.6 Correct Answer C:

Only action 3rd is the right course of action because other courses are not feasible.

Q.7 Correct Answer D:

Action 1 and 2 will directly improve the working condition of Railways to stop action 3 not directly related with improving Railway traffic condition but will encourage other signalman to

be more watchful and their duties which in turn will reduce the probability of accident.

Q.8 Correct Answer D:

Action I is not practical one, hence does not follow. Actions II and III are right courses and deal with the problem positively and effectively.

Q.9 Correct Answer C:

Condition of architectural structure can be improved by the way of adequate finance, hence third that Grand should be given to improve the condition of structure, is the right course of action

Q.10 Correct Answer B:

The statement speaks of the failure of housing and Urban Development policies of the government, hence the policy in regard to the urban housing should be reviewed
